Shoreline has many opportunities for beautiful photos, especially with our many parks and proximity to Puget Sound.

But Shoreline's businesses are also part of the City's identity and community, from the Aurora Corridor to neighborhood commercial areas. They are where we shop, eat, meet, relax, play, socialize, work, get things fixed, and more.

We hope this contest inspires you to pull out your camera when you are visiting Shoreline businesses you know well and when trying out new businesses.

It doesn't matter if you're a professional or an amateur photographer because this is not a serious contest. The judges are local attorneys who know little about photography. Each has agreed to recusal in the event of conflict of interest.

We have GREAT PRIZES FOR OUR EIGHT PHOTO CONTEST CATEGORIES from Shoreline home-based businesses and non-profit organizations:
